

Write Scholarship Recipient Student Profile

Congratulations on receiving a scholarship! The next step in this process is creating a student profile that gives donors more information about you and your LMU experience. This profile will be included in an annual report to the scholarship donor. **If you have received multiple scholarships, your profile will be used for all of those donors, so there is no need to try to tailor your profile to each one.**

[Click here if you would like more guidance on writing your profile.](#)

Because **PROWL has a timeout feature and does not automatically check spelling and grammar**, we recommend composing the longer portions of your profile in a Word or Google document, and then pasting the text into the boxes below.

Please do not include the donor or scholarship name in your submission.

Preferred Name: *If you have a Preferred Name that is not yet updated in Banner, please visit [this website](#) to update it with the Registrar. The name accompanying your profile will be pulled from this system, and we want to ensure that it is correct.*

I am honored to be a recipient of this scholarship. Because of your support, I am able to cover expenses associated with college. This has lightened the burden of worry in how I will cover my tuition costs.

I have just begun my undergraduate career as a transfer junior at LMU, and I believe that I am off to a great start. My plans at this stage are to complete a major in sociology. I chose LMU because of its strong community engagement and social justice programs, and I consider myself fortunate to be a Lion. Right now, I am actively involved in the service organization, Creare, which has a focus on supporting and mentoring schoolchildren.

After graduating, I plan to continue my education in graduate school, hopefully working toward a Masters in sociology, with the ultimate goal of becoming a social worker. My educational and career pursuits would not be possible without the support of scholarship donors like you.

By checking here, you are giving permission to LMU to publish or distribute these materials and any product thereof in any way or manner that they see fit, in perpetuity. The information reported to donors is based on the criteria of the scholarship and can include class, year, major, minor, sport, activities, GPA, SAT/ACT, and High School GPA. (Please note: your contact information will not be released without your permission.)
